

Interactive Flat Panel

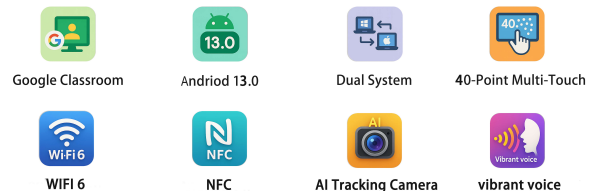

OmniAI 65~98 - S3AC

INTRODUCTION

OmniAI series interactive flat panels combine high-resolution displays with touch controls and wireless connectivity, perfect for meetings and presentations. They make collaboration easy by allowing teams to share, annotate, and work together on documents in real time. Ideal for offices and conference rooms, these displays enhance teamwork and efficiency.

Key Benefits:

- AI tracking camera and vibrant voice
- Wireless screen sharing and Whiteboard
- Real-time collaboration (PPT, documents, etc.)
- Ideal for premium offices & meeting rooms

FEATURES

- Zero-Gap Technology** – Ultra-thin design, low parallax for natural writing, wider viewing angle.
- 4mm Anti-Glare Tempered Glass** – Reduces reflections for clear visibility.
- 4K Ultra HD Display** – Full-channel 4K UI support for stunning visuals.
- Dual Front + Dual Onboard USB 3.0 Ports** – Supports seamless channel switching.
- Wireless Screen Sharing** – Effortless content sharing.
- High-Precision IR Touch ($\pm 0.5\text{mm}$)** – $\leq 2\text{mm}$ writing height for fine, accurate input.
- Pressure-Sensitive & Palm-Rejection Writing** – Smooth, natural writing experience.
- Dual-Pen Writing (Two Colors)** – Enables easy collaboration; supports 5-level object recognition (3mm/7mm/11mm/30mm/50mm).
- Wi-Fi 6 Support** – Dual-band (2.4G/5G), AP+STA modes for fast, stable connections.
- Smart Wake-on-Input** – HDMI/VGA/RS232 & network signals wake the device from standby.
- Gigabit Ethernet (Android & OPS)** – High-speed wired networking with network sharing.
- Advanced Welcome App** – Enhances engagement with fun, interactive features.
- Picture-in-Picture (PiP) Mode** – Multitask efficiently with parallel workflows.
- Eye Protection, Screen Lock & Touch Lock Tools** – Added convenience and safety.
- NFC Lock/Unlock & Stylus Detection** – Quick access and smart pen recognition.
- 2.2-Channel Speaker System** – Front tweeters + rear woofers for immersive, deep sound.
- 48MP Wide-Angle Auto-Focus Camera** – AI-powered gesture/voice-tracking modes.
- 8-Array Mic with Noise Cancellation** – Crystal-clear audio with voice enhancement.

OmniAI 65~98 - S3AC

FEATURES

Built-in AI Tracking Camera 48 Million Pixel

Smart tracking, precise focus—AI camera keeps speakers clearly in frame.

Share Anything, Wirelessly

Make meetings more dynamic!

Easily share **photos, videos, or live screens** from any device: **laptop, tablet, or phone** all at the same time. Perfect for engaging presentations and collaborative discussions!

Beyond Writing: OmniAI Reimagines Learning

Turn your ideas into action with OmniAI—the **smart whiteboard** that brings lessons to life. Seamlessly integrate PDFs, images, and interactive tools to make teaching easier and classes more engaging. All-in-one, all on one board.

Seamless Google Classroom Integration

Teach Smarter with Tools You Know & Love

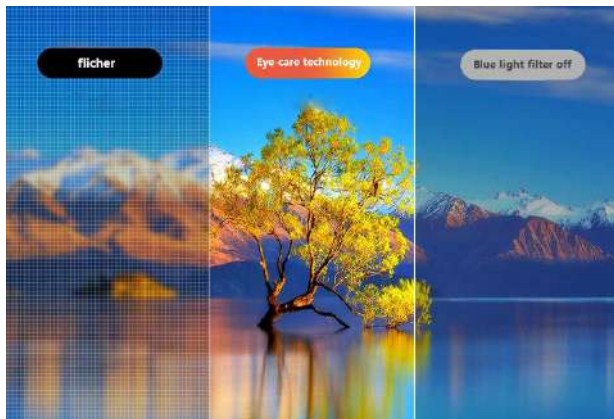

- Create & Import Lessons Anywhere – **Work on your materials at home or on the go.**
- Paperless & Effortless Sharing – Instantly **access and display lessons in any classroom.**
- Smooth Digital Collaboration – Enhance teamwork with easy-to-use, familiar tools.

Simple. Secure. Smart.

Designed for classrooms with Android's 14 OS for smooth **multitasking** and lesson planning. Stay in control with built-in **screen & app lock**—safeguard any app or the entire display with a password. Learn safer. Teach smarter

FEATURES

Protect Your Eyes

Omni Series combines flicker-free tech, blue light filtering, and anti-glare coating to keep eyes comfortable—even during long study sessions. Perfect clarity, in any light.

Tweeter and woofer combo delivers premium IFP Audio

Exclusive dual **20W tweeters** and dual **20W woofers** for dynamic sound.

Manage All Your Omni Displays From One Place (Optional)

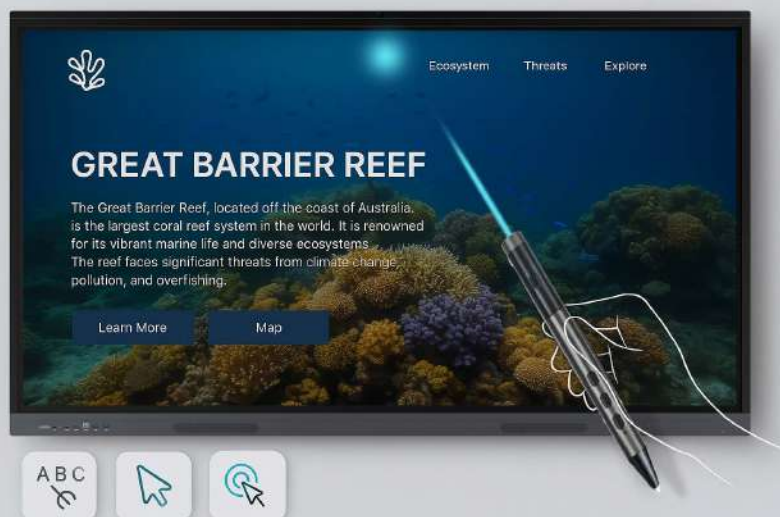

- Update & schedule content instantly
- Control multiple screens remotely
- Save energy with **ECO mode** & power scheduling
- Boost engagement with **multimedia & emergency alerts**

Perfect for campuses & businesses – **efficient, eco-friendly, and always connected!**

Master Your Presentations with the 3-in-1 AirPen

Present with confidence! The Air Pen combines an **air mouse**, **laser pointer**, and **spotlight**—so you can move freely and control your slides effortlessly. Command attention, anytime, anywhere.

Tap & Go

Access your Omni display instantly with a simple NFC tap! Enjoy personalized settings and seamless logins all securely protected.

Simplify Your Setup with 3 USB-C Ports

Ditch the cable mess! 3in1 USB-C ports offer a one-cable solution for fast charging (up to 100W), quick file transfers, and smooth multimedia—all while

Go Green, Save Green

Omni Series meets high standards for **energy efficiency**, **low carbon footprint**, and **eco-friendly recycling**. Ideal for schools pursuing sustainability, it's a smart, cost-saving choice for a greener future.

Worry-Free Support Included

Every Omni interactive flat panel includes top-tier service and warranty. Enjoy quick replacements and repairs to keep lessons running smoothly. Plus, get expert training and support for seamless setup and an outstanding experience.

Enhance Your Teaching with Essential Accessories

Boost your Omni display performance with must-have add-ons:

- **Slot-in PC** for powerful Windows
- **Conference camera** for virtual lessons and meeting
- **Motorized trolley** for easy movement
- **Document camera** for live demonstrations

Customize your setup and teach smarter!
