

# Interactive Flat Panel

Omni 55~98 - T3A/T3AC

## INTRODUCTION

Omni series interactive flat panels combine high-resolution displays with touch controls and wireless connectivity, perfect for meetings and presentations. They make collaboration easy by allowing teams to share, annotate, and work together on documents in real time. Ideal for offices and conference rooms, these displays enhance teamwork and efficiency.

### Key Benefits:

- High-resolution touchscreen
- Wireless screen sharing and Whiteboard
- Real-time collaboration (PPT, documents, etc.)
- Ideal for offices & meeting rooms

Google Classroom

Android 14.0

Dual System

40-Point Multi-Touch

WiFi 6

NFC

## FEATURES

### Display & Viewing

- Zero-bonding tech for minimal parallax and wide viewing angles
- 4mm anti-glare tempered glass reduces light interference for clearer visuals
- 4K Ultra HD display with full-channel 4K UI support

### Eye Comfort & Adjustability

- Auto-brightness with light sensor
- DC dimming (flicker-free) for reduced eye strain

### Connectivity & Sharing

- 4× USB 3.0 ports (2 front, 2 onboard) with channel switching
- Screen mirroring & wireless projection support
- Wi-Fi 6 (dual-band 2.4G/5G) with AP+STA mode
- HDMI/VGA/RS232 & gigabit network (wired/wireless)

### Touch & Collaboration

- ±1mm precision IR touch for smooth writing
- Dual-pen support with color differentiation for teamwork
- Split-screen for multi-source display

### Convenience Features

- NFC for lock/unlock & app login
- 48MP camera + 8-array microphones
- User-friendly UI with widgets (eye protection, lock screen, touch lock)

Omni 55~98 - T3A/T3AC

## FEATURES

### Share Anything, Wirelessly

Make meetings more dynamic!

Easily share **photos, videos, or live screens** from any device: **laptop, tablet, or phone** all at the same time. Perfect for engaging presentations and collaborative discussions!

### Beyond Writing: OmniAI Reimagines Learning

Turn your ideas into action with OmniAI—the **smart whiteboard** that brings lessons to life. Seamlessly integrate PDFs, images, and interactive tools to make teaching easier and classes more engaging. All-in-one, all on one board.

### Seamless Google Classroom Integration

Teach Smarter with Tools You Know & Love

- Create & Import Lessons Anywhere – **Work on your materials at home or on the go.**
- Paperless & Effortless Sharing – Instantly **access and display lessons in any classroom.**
- Smooth Digital Collaboration – Enhance teamwork with easy-to-use, familiar tools.

### Master Your Presentations with the 3-in-1 AirPen

Present with confidence! The Air Pen combines an **air mouse, laser pointer, and spotlight**—so you can move freely and control your slides effortlessly. Command attention, anytime, anywhere.

### Simplify Your Setup with 3 USB-C Ports

Ditch the cable mess! 3in1 USB-C ports offer a one-cable solution for fast charging (up to 100W), quick file transfers, and smooth multimedia—all while keeping your workspace clean and clutter-free.

## FEATURES

### Tap & Go

Access your Omni display instantly with a simple NFC tap! Enjoy personalized settings and seamless logins all securely protected.

### Protect Your Eyes

Omni Series combines flicker-free tech, blue light filtering, and anti-glare coating to keep eyes comfortable—even during long study sessions. Perfect clarity, in any light.

### Simple. Secure. Smart.

Designed for classrooms with Android's 14 OS for smooth **multitasking** and lesson planning. Stay in control with built-in **screen & app lock**—safeguard any app or the entire display with a password. Learn safer. Teach smarter

### Smart & Stylish Interactive Displays

- Customizable themes & personal wallpapers
- Sleek design meets smart functionality

### Built-in Smart 4K Camera (Optional)

Bridge the distance and enable remote and hybrid learning on your Omni Display with 48 million pixel camera

### Manage All Your Omni Displays From One Place (Optional)

- Update & schedule content instantly Control
- multiple screens remotely
- Save energy with **ECO mode** & power scheduling
- Boost engagement with **multimedia & emergency alerts**

Perfect for campuses & businesses – **efficient, eco-friendly, and always connected!**

## Go Green, Save Green

Omni Series meets high standards for **energy efficiency**, **low carbon footprint**, and **eco-friendly recycling**. Ideal for schools pursuing sustainability, it's a smart, cost-saving choice for a greener future.

## Worry-Free Support Included

Every Omni interactive flat panel includes top-tier service and warranty.

Enjoy quick replacements and repairs to keep lessons running smoothly.

Plus, get expert training and support for seamless setup and an outstanding experience.

## Enhance Your Teaching with Essential Accessories

Boost your Omni display performance with must-have add-ons:

- **Slot-in PC** for powerful Windows
  - **Conference camera** for virtual lessons and meeting
  - **Motorized trolley** for easy movement
  - **Document camera** for live demonstrations
- Customize your setup and teach smarter!
